

Locating an ethnography

1. Start with the Cannell Library Book Catalog

- Type in Keyword search: “case studies” and “cultural anthropology”
- Click the **title of the first book** in the list of results.
- Click on “case studies in cultural anthropology”
- Click on “case studies in cultural anthropology” (again)
- Cannell Library owns 51 of these, which are located on the second floor.

The screenshot shows a search result for the book 'Elota's story: the life and times of a Solomon Islands big man'. The search criteria are 'case studies and cultural anthropology'. The results are sorted by relevance. The book is located on the Second Floor with a call number of DUB50.E44 A33 1983 and is currently available. The subject terms are 'Elota, ca. 1908-1973', 'Kwaio (Melanesian people) -- Biography', and 'Kwaio (Melanesian people) -- Social life and customs'.

Use the **call number** to locate the book on the **second floor**.

When you find a book you like, look at the **Subject** terms for variations (**ethnonyms**) of the group's name.

**Repeat in
SUMMIT**

Is a book you want unavailable? Select Repeat in Summit.

Summit = over 30 academic libraries in Washington and Oregon, including Clark College.
