

Objective: Find information about countries, regional trading blocs using **CultureGrams** and **Europa World Year Book**.

A. CultureGrams:

1. At the library web site, select **Online Resources/Databases** (top bar), then **CultureGrams**, and then **World Edition**.
2. **Select a country.** For more statistics, select **Graphs and Tables** (under **Tools** in right column of country's first page).

B. Europa World Year Book:

1. At the library web site, select **Online Resources/Databases** (top bar), then **Europa World Year Book**.
2. **Select a country.** Look for **Country Statistics**, etc. (in left column of country's page).
3. For information on **regional trading blocs**, go back to the **Europa World home page**.
 - Select **International Organizations** (in left bar).
 - Then, select **Major Non-UN Organizations** to find EU, NAFTA, etc.

- **Need help? ... Ask a Librarian online chat** is now available 24/7!
 - Select **Ask a Librarian** (top bar on library web site)
- **Did you know ... All students now have a free Gmail email account!**
 - Select **Log In to Student Email** (lower left bar on library web site)
