Ms. Shanda Diehl
Associate Vice President of Planning and Effectiveness
Clark College
1933 Fort Vancouver Way
Vancouver, WA 98663

Dear Associate Vice President Diehl:

This is to certify that the Northwest Commission on Colleges and Universities (NWCCU) is the regional institutional accrediting agency for colleges and universities in the states of Alaska, Idaho, Montana, Nevada, Oregon, Utah and Washington. The Northwest Commission on Colleges and Universities is recognized as a reliable authority on regional, institutional accreditation by the United States Department of Education.

This letter serves to verify that Clark College, located in Vancouver, Washington, has been accredited continuously by NWCCU since receiving initial accreditation in December 1948. Regional accreditation with NWCCU does not expire at a specific date, but is reaffirmed in a seven-year cycle through determination of compliance with the Commission's Eligibility Requirements, Standards, and Policies.

The Northwest Commission on Colleges and Universities accredits Clark College at the Associate and Baccalaureate degree levels. The Commission most recently reaffirmed the accreditation of the College in Fall 2013 based on the Year Three *Resources and Capacity* Evaluation. The College's next comprehensive evaluation is scheduled for Fall 2018.

The institutional accreditation of Clark College includes all of its educational offerings, specifically Intensive English Language Pathway and Non-Degree Programs.

I hope this information is helpful. Please contact me if you have questions regarding the College's accredited status with the Northwest Commission on Colleges and Universities.

Sincerely,

A handwritten signature in blue ink that reads "Valerie W. Martinez". The signature is fluid and cursive.

Vice President
