

# STUDENT LEARNING

MARCH 2018

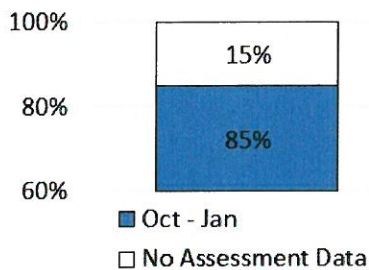

*Clark College facilitates student learning by providing the conditions for intellectual growth through scholarship, discovery, application, creativity, and critical thinking. Clark College's degrees and certificates awarded are the result of a culmination of learning. The college aligns its curriculum with learning outcomes and applies evidence to continually advance student learning.*

100% of programs have made improvements based on assessment of program learning outcomes

Due to faculty workload, the expectation is that faculty will complete their program assessment work by September 30th of the next

Proportion of Program Groups with Assessment Data On File

Proportion of Learning Outcomes with Established Learning Targets

Proportion of Programs that have Mapped Learning Outcomes to Courses

## Monthly Highlights

- ◇ The number of STEM CURE (course-based undergraduate research experience) courses is expanding due to an ASCN grant. CUREs embody active learning, engaging students in research in addition to normal coursework, increasing student persistence and success in the sciences.
