Our last day of school. Comp exam, & papers to correct. I got my final grades made out. Read final proof of catalogs, & about 100 of them were made up for me.

This evening was our farewell banquet & presentation of diploma. Mrs. Wilde swept with emotion when she received it. It was a grand and impressive occasion. Our first graduate! The first diploma I have ever presented! It was a memorable time. The spirit of the students was excellent, and I think the banquet did much to cement their loyalty for next year. It is a custom well worth preserving.

Danced till past midnight, & to bed by 1:00. Must be up by 3:30 in the morning to get off on our hiking trip.
