

Online AA Course Menu

To be successful in completing your Online AA DTA at Clark College you need to:

- 1) **Contact an Advisor** to complete an Educational Plan (or contact eLearning if you live outside of the area).
- 2) Refer to the [Clark College 2011-2012 Catalog](#) for more information. When planning your degree path, consider the required and recommended prerequisites to complete your degree on time. Course offerings are subject to change. Please check with the academic department for more information about specific course schedules. Courses that are required to advance to another level require a grade of a 'C' or better to advance. For courses that are not prerequisites, please check with transferring institution if you have any grades below a 'C' as they may not transfer. Most institutions also require your GPA to be 2.0 or higher, please check with transferring institution. This menu was last updated 05/08/12. Please check often for updates.
