

## 2-Year Program Map for T-TEN Automotive AAT Degree

### Area of Study: Advanced Manufacturing and Mechanical

Program maps are suggested academic plans and should not be used in the place of regular academic advising. Your student entry method, placement, course availability, and program requirements are subject to change and transfer credit(s) may change your map/plan.

Clark College’s Dealer Ready Automotive Technology programs include the Toyota Technician & Education Network (T-TEN), the Honda Professional Automotive Career Training (PACT), the Dick Hannah Initiative for Technician Education at Clark College (HiTECC), and the Audi Education Partnership. Our full-time cohort programs start every fall and have a regional reputation for producing automotive technicians with good mechanical skills and a thorough understanding of automotive computer, electrical, and electronics systems to work on today’s vehicles. Our programs are competitive entry. For entry requirements please contact the [Automotive Department](#) by July 1<sup>st</sup>.

> Free [Tutoring Services](#) are available to support you throughout your degree completion.

## Support Services

At Clark College, we know that everyone who walks through our doors is a unique person with diverse, interesting and sometimes challenging circumstances. We are committed to ensuring each and every student can succeed at Clark, and are committed to serving systemically non-dominant communities, including (but not limited to) people of color, those who identify as LGBTQIA2S+ and people with disabilities. We have resource centers, clubs, programs and activities for all students.

Visit our [Student Support](#) page for more information.

## Funding Options at Clark

There are many resources available to help students cover the costs to attend college—tuition, books, fees, tools, transportation, childcare, etc.—so you can focus on completing your degree or certificate.

**Grants** Based on need. You do not need to pay back grants.

**Scholarships** Similar to grants, and there are different criteria; Clark College awards hundreds of thousands of dollars to students each year. We encourage everyone to apply!

**Student Employment & Work Study** Money you earn through working part-time; this helps to reduce your reliance on loans, and build your skills and resume.

**Loans** If you do need to borrow additional funds to pay for college-related expenses, you can consider loans. It is money you borrow and will pay back with interest.

**Specific Assistance** For Veterans, worker retraining, DREAMers, students receiving DSHS benefits, and more.

For more information, visit our [paying for college website](#) or visit the **Office of Financial Aid in Gaiser Hall room 101**.

## Career Opportunities

Career exploration and planning is an essential step to establishing your academic journey at Clark College and beyond. Career Services connects you with resources and strategies for career planning in six areas: knowing self; career awareness; relationship building and networking; work-based learning; job-search skills; and career readiness competencies. You are encouraged to participate in *MyPlan*, a comprehensive and interactive guide with activities to support your career, academic, and financial wellness planning. Visit [Career Services](#) in the **Penguin Union Building room 002**.

Students working towards the **T-TEN Automotive Associate in Applied Technology** degree could be employed as:

### Automotive Service Technicians and Mechanics

Career exploration information created by Clark Faculty and Staff.

*Clark College does not discriminate on the basis of race, color, national origin, age, perceived or actual physical or mental disability, pregnancy, genetic information, sex, sexual orientation, gender identity, marital status, creed, religion, honorably discharged veteran or military status, or use of a trained guide dog or service animal in its programs and activities, in accordance with state and federal laws.
