

2-Year Program Map for Accounting AAS Degree

Area of Study: Business & Entrepreneurship

Program maps are suggested academic plans and should not be used in the place of regular academic advising. Your student entry method, placement, course availability, and program requirements are subject to change and transfer credit(s) may change your map/plan.

Accounting is an essential component of every institution and business organization. As an accounting student at Clark, you will learn the importance of the different areas that make up accounting. You will learn foundational skills in manual accounting procedures, business applications, and incorporate soft skills to make students competitive in the workplace. This program is flexible and allows students to complete a significant portion of the program online. Upon completion, you will acquire the skills to manage financial resources, policies, and decisions. This program requires completion of the CP as part of the AAS degree. See your advisor for more details. Free [Tutoring Services](#) are available to support you throughout your degree completion.

This degree is eligible for the new [Auto-Enrollment](#) option

Auto enrollment creates a predictable, reliable schedule so you can balance work and family life while earning your degree or certificate at Clark College.

Support Services

At Clark College, we know that everyone who walks through our doors is a unique person with diverse, interesting and sometimes challenging circumstances. We are committed to ensuring each and every student can succeed at Clark, and are committed to serving systemically non-dominant communities, including (but not limited to) people of color, those who identify as LGBTQIA2S+ and people with disabilities. We have resource centers, clubs, programs and activities for all students.

Visit our [Student Support](#) page for more information.

Funding Options at Clark

There are many resources available to help students cover the costs to attend college—tuition, books, fees, tools, transportation, childcare, etc.—so you can focus on completing your degree or certificate.

Grants Based on need. You do not need to pay back grants.

Scholarships Similar to grants, and there are different criteria; Clark College awards hundreds of thousands of dollars to students each year. We encourage everyone to apply!

Student Employment & Work Study Money you earn through working part-time; this helps to reduce your reliance on loans, and build your skills and resume.

Loans If you do need to borrow additional funds to pay for college-related expenses, you can consider loans. It is money you borrow and will pay back with interest.

Specific Assistance For Veterans, worker retraining, DREAMers, students receiving DSHS benefits, and more.

For more information, visit our [paying for college website](#) or visit the **Office of Financial Aid** in Gaiser Hall room 101.

Career Opportunities

Career exploration and planning is an essential step to establishing your academic journey at Clark College and beyond. Career Services connects you with resources and strategies for career planning in six areas: knowing self; career awareness; relationship building and networking; work-based learning; job-search skills; and career readiness competencies. You are encouraged to participate in *MyPlan*, a comprehensive and interactive guide with activities to support your career, academic, and financial wellness planning. Visit [Career Services](#) in the Penguin Union Building room 002.

Students who complete the **Accounting Associates in Applied Science** degree could be employed as:
Some careers may require a bachelor's degree or higher

Account Specialists
Bookkeeper
Billing Clerks
Brokerage Clerks
File Clerks

Insurance Policy and Claims Clerks
Loan Clerks
Payroll and Timekeeping Clerks
Tax Preparers

Career exploration information pulled from WOIS.org. (Career > Bookkeeping and Accounting Clerks)
