

## 2-Year Program Map for Associate in Fine Arts – Graphic Design

### Area of Study: Creative and Communication Arts

Program maps are suggested academic plans and should not be used in the place of regular academic advising. Your student entry method, placement, course availability, and program requirements are subject to change and transfer credit(s) may change your map/plan.

At Clark, we nurture and provide a welcoming space for students to develop their artistic ambitions. Whether you are interested in getting into the arts or looking to expand your skills, we have a variety of courses that include painting, drawing, ceramics, and graphic design. Our faculty works collaboratively with students to help develop long-term educational goals and prepare them for transfer to four-year institutions. Courses are also offered for students taking electives or exploring the arts.

**Kathrena Halsinger is the faculty advisor for Graphic Design, please email her directly at [khalsinger@clark.edu](mailto:khalsinger@clark.edu) for more info.**

**Grants** Based on need. You do not need to pay back grants.

**Scholarships** Similar to grants, and there are different criteria; Clark College awards hundreds of thousands of dollars to students each year. We encourage everyone to apply!

**Student Employment & Work Study** Money you earn through working part-time; this helps to reduce your reliance on loans, and build your skills and resume.

**Loans** If you do need to borrow additional funds to pay for college-related expenses, you can consider loans. It is money you borrow and will pay back with interest.

**Specific Assistance** For Veterans, worker retraining, DREAMers, students receiving DSHS benefits, and more.
