**Community Service/Volunteer Hours**

Up to three (3) points will be awarded to applicants who have documented hours of community service/volunteer experience. Please use this Community Service/Volunteer Hours Form to document your experience.

- 1-9 hours = 1 point
- 10-19 hours = 2 points
- 20 or more hours = 3 points

The purpose of this point is to encourage applicants to gain experience working with diverse, often underrepresented populations within the community. The intent is for applicants to gain insights about community needs and resources, as well as communication skills needed in the healthcare field.

**Sample of approved experiences:**

- Homeless shelters
- Free health clinics
- Special Olympics involvement
- Formal dental programs
- Animal shelters
- After-school youth programs
- Community aid through church services
- Volunteer with school nurse in health-related activities
- Outreach programs or health related missions

**The primary goal is to demonstrate community service and activity.**

**Your hours cannot include observation hours or any hours that were compensated in anyway.**
