

GATEWAY DEBRIEFING

Please join us for a unique opportunity to participate in the Center for Medical Simulation's Gateway Debriefing Skills Workshop to be held at Clark College, Washington State University campus location in Vancouver, Washington. This workshop introduces healthcare education faculty to the foundational practices of Debriefing with Good Judgment®. This innovative workshop combines a daylong immersive in person experience with online learning that includes customized peer and mentor feedback.

NOTE: This workshop supports faculty preparation per the NCSBN Guidelines for Simulation.

When: Friday, March 22, 2019 (all day)

Where: Clark Building, 14204 NE Salmon Creek Ave, Vancouver, WA, 98686

Workshop Cost: \$500

Accommodations: Many options available locally. Workshop rate available Th/F at Holiday Inn Express-North Vancouver: www.hiesalmoncreek.com

Facilitated by:

Mary Fey PhD, RN, CHSE-A, ANEF

Associate Director

Institute for Medical Simulation

Center for Medical Simulation

Lecturer, Harvard Medical School
