56-99	Math 140, 148, 205, 151 In addition to a score of 56 or higher in College Algebra, a Trigonometry score of 41 or higher is required to enroll in Math 151.

PLACEMENT TESTING

All students are allowed an initial placement test at no cost. After receiving the results, students have the following options:

- a. Enroll in the courses into which they were placed.
- b. Request a retest using COMPASS examinations. Students may retest on any or all of the three modules. The cost is \$10.50 per module. They will then be placed into classes using the higher of the two scores.

RETESTING POLICY

After the initial retest, students do have the right to retest periodically.

COMPASS

- Individual modules may be taken once every three months.
- Each module retest costs \$10.50.

Once a student has taken a Math, Reading, Developmental Education or English class and received a grade of record (A-F, not W), a retest will not be allowed in that subject area.

DISABILITY ACCOMMODATIONS:

If accommodations are needed due to a disability, please contact Disability Support Services (DSS) at (360) 992-2314 voice or (360) 992-2835 TTY.

Alternative format of this document is available upon request to DSS.

Clark College does not discriminate on the basis of race, color, national origin, sex, disability, age, religion, sexual orientation, gender identity, gender expression, creed, disabled veteran status, marital status or Vietnam-era veteran status in its programs and activities.
