CLEP PETITION FORM

Please complete the following information and return this form to the Welcome Center in PSU 002. The coursework will be posted to your transcript at the end of the quarter provided the following criteria has been met:

1. Paid a \$5.00 transcription fee at the Cashiers Office in PSU 162
2. Have attended Clark College and earned credit for at least one quarter

Please submit a copy of your payment receipt *with your application* so that your request can be processed. Failure to submit proof of payment at the time of the request will result in your petition being returned to you. A maximum of nine (9) credits may be earned in each of the five general examination areas. Any coursework already completed in the same discipline as the test will automatically be deducted from this allotted amount. Even though the CLEP credits appear on your transcript, this does not imply the credits will transfer to another institution. If you are planning on transferring, it is recommended you contact the receiving/transfer institution for information on its policy regarding CLEP credits. A maximum of 15 credits of CLEP can be applied towards the General Elective area in the Associate in Arts or Associate in Science Transfer degree programs. These credits may used to meet general elective requirements only. Refer to the Clark College catalog, pages A33-A34, for further information regarding the Non-Traditional Credit Policy.
