INTERNATIONAL BACCALAUREATE CREDIT PETITION FORM

Please complete the student information below and return this form to the Welcome Center in PSU 002. The coursework will be posted to your transcript at the end of the quarter once the following criteria have been met:

1. Paid a \$5.00 transcription fee at the Cashiers Office in Gaiser Hall
2. Have attended Clark College and earned credit for at least one quarter

Please submit a copy of your payment receipt *with your application* so that your request can be processed. Failure to submit proof of payment at the time of the request will result in your petition being returned to you. Even though the IB credits appear on your transcript, this does not imply the credits will transfer to another institution. If you are planning on transferring, it is recommended you contact the receiving/transfer institution for information on its policy regarding International Baccalaureate credits. A maximum of 15 credits in IB coursework can apply towards the Associate in Arts or the Associate in Science Transfer degree programs. Refer to the Clark College catalogue; section B, for additional restrictions by program.
