For most, commencement is both an ending and a beginning; an opportunity for the graduates to reflect on what has been, while anticipating new, perhaps unknown challenges. The best speeches are those that have meaning for the largest number of graduates. The most well-received speeches reflect on the common educational experience and share, in a personal way, the value of the education received at Clark College and the exciting opportunities ahead. The time allotted for the student commencement speech is **2-3 minutes (approx. 400-500 words)**.

Please provide the following information:

1. Include a typed page detailing your public speaking experiences, including presentations. Include a brief discussion of why this opportunity interests you.
