

## Leadership and Supervision Certificate (6 Class Series)

Develop your leadership, communication, motivation and problem-solving skills with the Supervision Certificate. Through a series of six courses, you will acquire the interpersonal skills needed to interact successfully in a supervisory role. Topics include turning negative situations into positive outcomes; identifying your leadership traits through personal assessment; leading effective meetings; providing feedback; establishing priorities; problem-solving techniques, and more!

Earn the certificate by taking the courses individually or register for the series and save.
