

## Project Management Certificate Part A (3 Class Series)

Acquire the skills to manage projects in a variety of industries. Our seven required courses give you the tools and techniques to deliver projects on time and within budget. In Part A, you'll get a broad overview of project management and then delve deeper into the five project management processes: Initiating, Planning, Executing, Monitoring and Controlling and Closing. Courses include team activities, insightful discussion and a toolkit you can immediately utilize. **PDU: 51**

Take the courses individually or register for the Part A Series and save.

**Series includes** (51 total hours)

- [Project Management Basics: Initiating the Project](#)– 15 hours
- [Project Planning and Scheduling Essentials](#)– 21 hours
- [Project Execution to Closing](#)– 15 hours

**TEXTBOOKS** (available through Amazon):

### Recommended

- *The PMBOK® Guide - 7th Edition*, Project Management Institute, Inc., 2021, ISBN-13: 978-1628256642

### Program Completion

Part A includes the first three of seven required courses. To earn the Project Management Certificate, you must take all seven required courses; attend 80 percent of the first six courses (based on number of sessions in each course) and 100 percent of the Capstone course; and participate in class. Please note: Saturday sessions over four hours in length count as two sessions.

For complete details about our Project Management Certificate Program, attend a free Project Management Information Session and/or visit our [Project Management Certificate](#) overview.
