

Clark College's Corporate Learning Center has everything you need for your next business meeting or event – opening this fall.

Clark College at Columbia Tech Center has been designed to meet or exceed Leadership in Energy and Environmental Design (LEED) silver certification standards. That certification would result in reduced energy costs for the college and would contribute to environmental sustainability in our region.

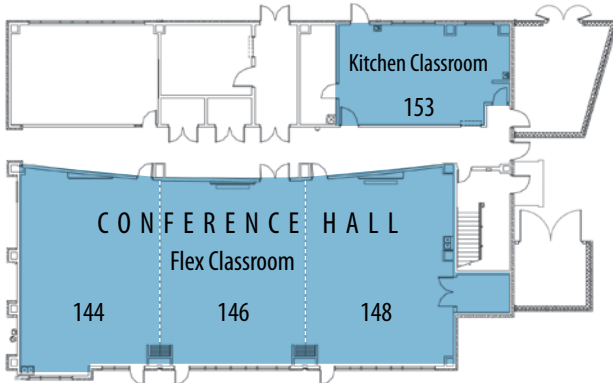

### CLARK COLLEGE AT COLUMBIA TECH CENTER

CLARK COLLEGE AT COLUMBIA TECH CENTER

## Easy Access

Our spacious, new corporate meeting facilities are located at Columbia Tech Center in east Vancouver. Ample free parking is available. Refer to the map on the back for directions.

## Reservation Requests Online

You can make reservation requests online for evenings, weekends or days, subject to availability.

To view our room layouts, pricing schedule, terms and conditions and other service information, go to:

[www.clark.edu/clc-rental](http://www.clark.edu/clc-rental)

## Other Services Available

Other service amenities and options are available for your meetings including advanced multimedia capabilities, large projection screens, WiFi access, technical support and catering options.

## Flexible Room Choices

We offer a wide and flexible choice of meeting room accommodations— attractively priced—to meet every corporate or organizational need.

*3,420 square-foot meeting/exhibit room can be configured to accommodate 400 in standing reception format, 378 in theater-style seating, 120 in classroom-style seating, or 55 exhibitor booths.*

*Conference rooms for webinars and teleconferencing*

*Fully equipped, state-of-the-art teaching and retreat use kitchen*

*A fully equipped circular kitchen is available for use with your meeting, conference or event. The kitchen is located near and has access to the large, first floor meeting/exhibit room. The kitchen can also be rented as a stand-alone teaching facility. Our staff can help in making these arrangements.*

*Smart classrooms for off-site training*

MEETING  
ROOM

*1,750 square-foot meeting room can accommodate 78 in classroom-style seating*

COMPUTER  
LAB
