

Additional Career Resources for Veteran Students

The Career Services website has a great list of resources specifically for veteran students. Use the list online as the first place to head for resources. Since there are so many military-to-civilian transition resources, see the links below for additional information.

Working for the Government (see pg. 20 of 150 Best Jobs for the Military-to-Civilian Transition)

For some veterans, working for the government (state, federal, etc.) is their preferred career path.

Veterans get preferential hiring for government positions, and can even use their years in the service to count toward their seniority status.
