

Clark honors pair

Track and field participant Tyler Lane and softball player Lindsay Sasse have been named Athletes of the Month for April by Clark College.

Skyview High School graduate Lane is leading the Penguins in jumping events, and has the Northwest Athletic Association of Community Colleges lead in the high jump by six inches, at 6-9. He is ranked third in the region in the long jump, and runs in the 400-meter relay.

Union High School graduate Sasse is primarily an outfielder, but also filled in as a starting pitcher early in the season, collecting three wins while batting .312 with 10 RBI.
