ELEMENTARY SCIENCE OLYMPIAD CODE OF ETHICS AND ROSTER

Student participants are expected to compete in the tournament events with an honest effort to follow the rules and the spirit of that competition. The goal of the competition is to give one's best effort while displaying honesty, integrity, and sportsmanship.

Students, coaches, parents and guests are expected to display courtesy and respect toward Olympiad officials, other teams, and guests of the Olympiad.

Failure to show honesty and/or courtesy by a participant, coach, or guest of the team may result in the disqualification of the team from that event, the entire tournament or future tournaments.

SCIENCE OLYMPIAD PLEDGE

I pledge to put forth my best effort in the Science Olympiad and to uphold the principles of honest competition.
