PHOTOGRAPHY RELEASE

Clark College will have a staff photographer taking pictures and video of the Science Olympiad tournament for documenting and celebrating the event. Pictures and video may be posted on the college web site or used in newsletters or media press releases. Coaches, please sign on behalf of your team. Advise team members who prefer not to be photographed that they need to let the photographer know not to take their picture.

I acknowledge that pictures or video may be taken of my team at the Science Olympiad tournament. I have advised team members that it is their responsibility to notify the photographer if they prefer not to be photographed.

Coach's Signature

Turn in the signed form at registration check-in.
