

Outcomes Assessment: IPT Charge to Full-Time Faculty

The IPT-defined course and program-level outcomes assessment activities for faculty for 2014-2015 will consist of the following:

- Identify course-level outcomes that align with program-level outcomes, where applicable;
- Participate in at least one program-level outcomes assessment project for the year;
- Revise course- and program-level outcomes, as needed, to ensure that all outcomes are assessable;
- Develop or revise a comprehensive plan, as needed, to assess all applicable program-level outcomes.
