Parking at Clark College

This information is provided to help you understand the problems some motorists can encounter while attending Clark College. Although the College works continually to assess and improve the parking available to students and staff, there will occasionally be challenges to the commuter. Knowing how the system works is the best first step toward success.

**OPEN PARKING**
The majority of available parking at Clark College is designated open parking. Open parking spaces are identified as marked (lined) spaces without any special labels. No permit is required to park in open parking. Students and other visitors to the College use open parking.

**PERMIT PARKING**
Some parking spaces have special designations and require a permit or other permission for use, as follows:

**Faculty/Staff Parking:** All faculty/staff parking areas are marked with a yellow F/S within the parking space. These parking areas are set aside for College employees with valid permits. All College employees who use College parking facilities must purchase a parking permit. Faculty/Staff parking permits are available through the Security/Safety Office.

**Student Carpool:** Some spaces are marked as Carpool parking. These spaces are available for students who have registered for the carpool program with Security. Two or more are required in order to qualify for the program. Students will be issued a Carpool permit which must be visible by displaying from the rearview mirror of the vehicle.

**Disabled person parking:** Only vehicles displaying a valid disabled person permit from Washington or another state, may park in disabled person parking areas.

**Special use parking:** Some spaces on campus are designated and marked for special use, such as Dental Patient or Service Vehicle. These spaces cannot be utilized without authorization.

**Metered Parking:** There are metered parking spaces located on campus. The meters have marked designated time limits. The meters provide spaces to those individuals who have short time parking needs on campus. Meter hours are M-Th 8am-5:30pm and Fri 8am-5pm.

No vehicle shall occupy any portion of more than one space. If a vehicle cannot be parked completely inside the space, the driver should not attempt to use the space. It is not a valid defense to occupy more than one space because of the position of another vehicle.
PARKING VIOLATIONS
Campus Security Officers may issue citations for any violation of the following rules and regulations (WAC 132N-156-550):

- Parking in faculty/staff parking without a valid permit
- Parking in disabled person parking without a valid permit
- Illegal use of or failure to display permit
- Occupying more than one parking space
- Blocking vehicular or pedestrian traffic
- Parking in a space not designated for parking
- Parking in an area not authorized
- Parking in a No Parking zone
- Parking within 15 feet of a fire hydrant
- Parking in a fire lane, sidewalk, or intra-campus avenue
- Parking on the grass
- Parking overnight without permission
- Parking a disabled vehicle on campus in excess of 24 hours
- Use of a vehicle for habitation without permission
- Creating a safety hazard
- Parking a bicycle illegally

FINES AND UNPAID VIOLATIONS
All parking citations carry a $20.00 fine, with the exception of disabled person parking violations, which carry a $50.00 fine. Parking citations may be paid at the cashier's office in Gaiser Hall.

Two or more unpaid parking citations may result in one or more of the following actions taken by Security/Safety (WAC 132N-156-170):

- A security block placed on College transcripts
- Delay of registration for the next quarter
- Outstanding fines turned over to a collection agency
- Vehicle immobilization or impoundment

VEHICLE REMOVAL
Illegally parked vehicles which require removal will be towed at the owner's or operator's expense.

MOTORIST ASSISTANCE
Clark College Security/Safety is available to provide assistance and guidance to visitors to the College Campus.

Security Found desk: Located in Gaiser Hall, north entrance. Security/Safety staff can answer directional and informational questions.

Vehicle lockouts and jump starts: Campus Security Officers can help you open your vehicle if your keys are locked inside and can jump start your car if the battery has died. Service is available on or near campus only; officers may be unable to assist with certain model vehicles.

PARKING SURVIVAL SUGGESTIONS
- Arrive for classes early
- Once you've parked your vehicle, leave it parked; don't move from one class to the next with your vehicle
- Park your vehicle near your last class of the day
- Try to take classes later in the day; parking is at a premium in the mornings

ALTERNATIVES TO PARKING
We appreciate your cooperation in using College parking wisely if you must drive. However, you may wish to consider the following alternatives:

Bicycling: The College provides bicycle racks throughout campus for those who cycle to school. Bicycles are to be parked and secured in these racks only.

Mass transit: Clark College is served by several C-Tran bus routes. Students may purchase a student I.D. card with a bus pass for a subsidized cost on a quarterly basis which provides bus use in Clark County. Employees may participate in the College's Commuter Trip Reduction Plan to receive a free one-zone bus pass.

Carpool: There are parking spots in the Red 2 lot with signs designating carpool parking only.

In order for students to qualify for the program, all of the following requirements have to be met:

- Registered for quarter requesting carpool must register for program
- All carpool members must be present at time of registration & be current registered students
- Student being issued carpool permit must have valid driver's license
