

CLARK COLLEGE

Our Tobacco Free Campus

COMMUNICATION

Working together to make
Clark a better place
for everyone!

UNDERSTANDING

Policy

Clark College supports findings from the Surgeon General that any form of tobacco use is a health hazard.

The College recognizes that environmental tobacco smoke is a carcinogen.

Tobacco use and E-Cigarettes are not permitted on campus.

Tobacco products must be extinguished or disposed of before entering campus or exiting your vehicle.

Tobacco use on campus or improper disposal of such products can result in a \$20.00 fine or disciplinary action.

Collaborative Benefits

A tobacco free campus helps everyone!

Tobacco/nicotine users have services available on campus to help quit if wanted.

A tobacco free campus creates a safe and healthy learning environment for all students and employees involved.

Work Together

It takes teamwork to ensure that Clark College is tobacco free.

When smoking on sidewalks, be mindful of other's personal space.

Politely remind people of Clark's tobacco free policy if necessary.

If you would like help to quit smoking, contact Counseling and Health Services.

Tobacco/nicotine users have the right to use tobacco products, just not on campus.

Everyone has the right to be here.
