MISCELLANEOUS POLICIES OF THE BOARD

PRESENTATION AND ADOPTION OF POLICY
Every effort shall be made to present, in writing, recommendations for changes in policy at least one meeting in advance of the meeting at which adoption is requested. The adoption of policy requires the affirmative vote of the majority of trustees.

Except as they may be in conflict with the resolutions heretofore set forth, Robert's Rules of Order, newly revised, shall constitute the parliamentary guide of the Board.

AMENDMENTS OF BOARD POLICIES
These policies, or any part or parts thereof, may be revised, repealed, or added to by an affirmative vote of the majority of trustees. They shall become effective immediately upon approval.

Correspondence or other business for the Board shall be sent to the secretary of the Board, who is located in this office.

100.F50 COLLEGE DEBT
The College, in accordance with Chapter 28B.50.140(6), may, with the approval of the State Board for Community and Technical Colleges (SBCTC) borrow money and issue and sell revenue bonds in accordance with the provision of RCW 28B.10.300 through 28B.10.330, where applicable, for the purchase of high-cost fixed assets and equipment.

It is the policy of the College to effectively manage the appropriate level of debt to ensure adequate resources are available to meet debt service requirements to spread the cost of high-cost fixed assets and equipment over the useful life of the assets. Debt service may be funded using two different methods and both can be in effect at the same time depending on the debt needs of the College.

Debt supported by general and operating revenues:

The College shall not incur debt or borrow money which will cause the aggregate debt obligation by the College to exceed that amount for which payments of principal and interest in any fiscal year would require the College to expend more than three percent of the average general operating revenues, less earmarked funds, for the three immediately preceding fiscal years. General operating revenues include state allocations, tuition, interest, and Enterprise and Internal Service funds.

Debt supported by other revenues:

Debt serviced by other revenues will be supported by a stable funding source other than the College's state allocation, tuition, or dedicated fee revenues. The other revenue source must be sufficient to cover normal operating expenses of the unit (if any) plus the anticipated annual debt service costs over the life of the debt schedule.

100.G00 FOUNDATION POLICY STATEMENT
In recognizing the Clark College Foundation as a separate, nonprofit corporation, the Board is both supportive and appreciative of the Foundation's role in assisting the College. The Board understands that the primary mission of the Foundation is to obtain financial and other direct support and benefit for the College. The use of funds and other resources will be for physical and capital improvements, student financial assistance, Foundation operations, and other purposes as designated by donors and accepted by the College. The relationship is further defined by the terms of the current Operating Agreement. The Board will be provided with regular financial reports, minutes of meetings, and other appropriate documents of the Foundation.
