### Monthly Highlights

- ◇ The Teaching and Learning Center hosted 173 faculty and staff during Focus on Learning Day. Focus on Learning included presentations and workshops on social and racial equity, economic mobility, educational access, growth-mindset and program redesign with an equity mindset.
- ◇ On October 11, faculty will be working on their annual assessment projects, with new guidelines to ensure that assessment and improvement across all outcomes is clear and transparent, including General Education curriculum. The faculty will be working with facilitators sharing insights on outcomes assessment before working in groups on their annual assessment projects.
