eLearning AA Course Menu

To be successful in completing your eLearning AA DTA at Clark College you need to:

- 1) Contact an Advisor to complete an Educational Plan (or contact eLearning if you live outside the area)
- 2) Refer to the current <u>Clark College Catalog</u> for more information. When planning your degree path, consider the required and recommended prerequisites to complete your degree on time. Course offerings are subject to change. Please check with the academic department for more information about specific course schedules. Courses that are required to advance to another level require a grade of 'C' or better. For courses that are not prerequisites, please check with the transferring institution if you have any grade below a 'C'. Most institutions also require your GPA to be 2.0 or higher. Please check with transferring institution. This menu was last updated 5/18/15.

General Electives [GE] – 15 credits. These courses may be vocational in nature from Career and Technical education courses. The transferability of the Career-Technical courses and any ENL 100-level courses is determined by the receiving baccalaureate institution.

NOTE: Some transfer curriculums specify electives as requirements. Coursework in ESL or FLPC cannot apply to the AA degree program. A maximum of three (3) credits of Physical Education can apply. No more than fifteen (15) credits can be taken from the General Elective

area.
