Create New SERS Account

Step 1: Student SERS Profile Set Up

<https://www.ctesers.org/>

All of the **red dot** fields
are required

Please use a personal email and
not a school email

Please select **your**
school district and
home high school

Step One

*required fields

Username • Availability: **Username Available**

First Name •

Last Name •

Email is required, and we encourage you to provide a good accessible one, so necessary information can be emailed to you.
If you are using a school email address, check with your teacher to make sure it can receive outside emails.

Email •

Repeat Email •

Birth Date •

School District •

Home High School •

Step 1: Student SERS Profile Set Up

<https://www.ctesers.org/>

Step Two

Your Username is: **actest10**

Please keep your SERS username and password in a secure place so you can easily access them when logging in.

When creating your new password, you will need to follow these rules:

1. At least 10 characters long.
2. Contain at least one upper and one lower case letter (passwords ARE case-sensitive).
3. Contain at least one number.
4. Contain at least one of the following special characters:

! # \$ % * + - = ? @ ^ _ ~

All Fields Required

Password

Compare Password

.....

Step 1: Student SERS Profile Set Up

<https://www.ctesers.org/>

Please keep these SERS security questions and answers in a secure place so you can easily access them when logging in.

Three separate security question/answer combinations are required.
Select a question from the dropdown and add your answer to the textbox below it.

Question One

What was the name of your second pet?

Answer One

Kip

Question Two

What is your all-time favorite sports team?

Answer Two

Dallas Cowboys

Question Three

What was the name of your first school?

Answer Three

Bells Academy

Step 1: Student SERS Profile Set Up

<https://www.ctesers.org/>

Create Student Account

Congratulations, you can now sign-in to SERS. But you're not done yet. You will need to complete your profile, which you will be redirected to when you sign-in. You must complete this part of the process or you can't use SERS.

Some of the information you might need to gather, before being able to register for an articulation, includes:

- Your complete address
- Parent/Guardians full name
- School district name
- HS graduation year
- Career Cluster

Your registration for the high school classes below has been received

Program Requirements

Students must earn the indicated passing grade or higher in each high school class of an articulation to be eligible to earn college credit. Other requirements may apply. There is no guarantee that these credits will transfer to any other community college, or four-year college or university.

Fee Details

CTE Dual Credit in 4 Steps

STEP 2: Apply to Clark College

Tips for completing the Clark College application:

- **Use a personal email** when signing into the application, not a school email.
- Ignore the “percentage complete” at the top of the screen. You may not reach 100% by the end of the application. **Focus on completing the required (*) fields.**
- You will be asked to enter your social security or individual taxpayer identification number. If you do not know your **SSN/ITIN**, you may leave the space blank. You will need to provide your SSN/ITIN to Clark later if you intend to use the FASFA or WASFA for financial aid.
- After applying, you will receive an acceptance email within 1-2 business days of applying. Sometimes this email goes to your spam inbox. If you do not receive your welcome email, let us know by emailing start@clark.edu. **This email will have your 9-digit ctcLink ID (student ID).**
- **If students have already applied as a Running Start or Clark College student**, they already have their ctcLink ID and **can skip this step.**

COMMUNITY AND
TECHNICAL COLLEGES
Washington State Board

Take your **life** to the **next level!**

Choosing the right college is an important decision. Enrolling in a Washington community or technical college is a smart choice. No matter who you are, where you come from, or what you're interested in, there's a program or degree here for you...all at a fraction of the cost!

- Get started in a career
- Learn a skilled trade
- Earn credits that transfer to universities or polish your professional skills
- Finish high school or get your GED®, or learn English language skills

You'll study on campus or online with dedicated instructors in small classes and within a supportive campus environment. We know what employers and universities look for because we work with them every day to match what you learn with what they need.

Just as important...you can be yourself. We welcome students of all ages, races, ethnicities, sexual orientations, and backgrounds, celebrating everyone for who they are and what they bring to our college communities.

You're at the start of an amazing journey. Let's get going!

Instructions Guide

Submitted Applications

College

Select the college to which you are applying. To apply to more colleges, complete a new application for each one.

I will be enrolling as a...

First Year – This will be your first year attending any college (and you will not be a high school student at time of enrollment).

International – You are seeking admission as an international student. You are instructed to select "International" and contact college directly for more information.

Reapplying – You attended a college previously and are instructed to select "Reapplying".

Running Start – You are a high school senior and are instructed to select "Running Start".

Transfer – You earned credit at another college to which you are applying.

Program: Choose Academic

If you're undecided about your future plans, we recommend choosing Academic program and Academic Transfer DTA for degree. This can always change so do not feel like you are stuck with your choice!

Term: Select the term you intend to start, like "Fall 2027".

Complete all fields marked with (*).
If you are not sure which options to select, scroll down on the page for descriptions.
Select **APPLY**.

Residency

Questions in this section marked with an asterisk* are required.

Answers in this section are used for determining tuition and fees and will not affect your admissions. However, you may be requested to submit supporting documentation.

WA State Higher Education Residency Affidavit

Students must be residents to qualify for Washington in-state tuition rates at public institutions and meet residency requirements for state financial aid programs at participating schools. The Residency Affidavit is one way to show you are a resident. The affidavit is a promise between you and the institution determining residency. To be able to certify this affidavit, you must meet the following eligibility requirements:

- Earn a high school diploma, GED, or diploma equivalent before your first term at the college determining residency.
- Maintain a primary residence in Washington for at least 12 consecutive months immediately before your first term at the college determining residency. The Washington residence must be for purposes other than college. (Note: If you take any courses at another Washington college during the prior 12 months, you cannot have taken more than six credits in any given term. If you exceed that limit you must prove that you have a Washington residence for non-college reasons), and,
- Promise that one of the following is true:
 - You will file an application to become a permanent resident of the United States as soon as you are eligible to apply. You are also willing to engage in activities designed to prepare you for citizenship, including citizenship or civics review courses.
 - You are a U.S. citizen, U.S. national, or U.S. permanent resident.

Based on the eligibility requirements listed above for the WA State Higher Education Residency Affidavit, please choose one of the following:

YES I certify that, by the official start date of my first term at the college determining residency, I will have met the eligibility requirements above.

NO I will not meet the eligibility requirements above by the official start date of my first term at the college determining residency. I want to learn other ways to meet residency requirements for in-state tuition and state financial aid. *

RESIDENCY questions are used to determine tuition and fees. Read the residency statements. You will either be able to answer **YES** or **NO** to meeting the eligibility requirements. Select **NEXT** at the bottom of the screen.
