

Program Map

Metal Arc Welding - Certificate of Achievement

Area of Study: Advanced Manufacturing and Mechanical

The Welding Technology program has been updated to provide coursework to meet the industry needs of today. With updated equipment found in real-world shops, students will learn to read blueprints, analyze parts, and carry out proper fitting, welding, and inspection using a variety of materials such as steel, stainless steel, aluminum, and titanium. Coursework pairs welding with fabrication skills, processes, and techniques for students to be competitive in the workplace. Enrollment is limited each quarter, so interested students are encouraged to apply as soon as possible. Contact the department for eligibility requirements.

Additional welding coursework, or consent of department, is required prior to enrolling in this certificate program.

> Free [Tutoring Services](#) are available to support you throughout your degree completion.

Program maps are suggested academic plans and should not be used in the place of regular academic advising. Your student entry method, placement, course availability, and program requirements are subject to change and transfer credit(s) may change your map/plan.

This is a stackable certificate, designed to be completed by students in the welding program. Students with industry experience, seeking a short term certificate, may contact the welding department for a skills assessment and permission to enroll.

Year One

Summer Term

- HLTH 120 Adult CPR and First Aid 1
- WELD 110 Welding Blueprint Reading 5
- WELD 102 Introduction to Welding 6

Fall Term

- WELD 144 Shielded Metal Arc Welding 6
- WELD 145 Shielded Metal Arc Fabrication..... 6

24 units required. [View the Clark College Catalog](#) for additional program information

Key ^ Alternative classes are available to fit your schedule or interest. **&** Common Course in the State of Washington

Support Services

At Clark College, we know that everyone who walks through our doors is a unique person with diverse, interesting and sometimes challenging circumstances. We are committed to ensuring each and every student can succeed at Clark, and are committed to serving systemically non-dominant communities, including (but not limited to) people of color, those who identify as LGBTQIA2S+ and people with disabilities. We have resource centers, clubs, programs and activities for all students.

Visit our [Student Support](#) page for more information.

Funding Options at Clark

There are many resources available to help students cover the costs to attend college—tuition, books, fees, tools, transportation, childcare, etc.—so you can focus on completing your degree or certificate.

Grants Based on need. You do not need to pay back grants.

Scholarships Similar to grants, and there are different criteria; Clark College awards hundreds of thousands of dollars to students each year. We encourage everyone to apply!

Student Employment & Work Study Money you earn through working part-time; this helps to reduce your reliance on loans, and build your skills and resume.

Loans If you do need to borrow additional funds to pay for college-related expenses, you can consider loans. It is money you borrow and will pay back with interest.

Specific Assistance For Veterans, worker retraining, DREAMers, students receiving DSHS benefits, and more

For more information, visit our [paying for college website](#) or visit the **Office of Financial Aid in Gaiser Hall room 101**.

Career Opportunities

Career exploration and planning is an essential step to establishing your academic journey at Clark College and beyond. Career Services connects you with resources and strategies for career planning in six areas: knowing self; career awareness; relationship building and networking; work-based learning; job-search skills; and career readiness competencies. You are encouraged to participate in *MyPlan*, a comprehensive and interactive guide with activities to support your career, academic, and financial wellness planning. Visit [Career Services](#) in the **Penguin Union Building room 002**.

Students who complete the **Shielded Metal Arc Welding Certificate of Achievement** could be employed as:
Some careers may require an associates degree or higher

Welders, Cutters, Solderers, and Brazers
