Area of Study: Creative and Communication Arts

Expression of art through live performance is exhilarating and can have long-lasting social and artistic benefits. Clark's Theatre Department offers instruction in acting principles and techniques for stage and television, and the opportunity to perform in a range of plays and musicals for the community to enjoy. Clark is also part of the American College Theatre Festival, which allows students to gain experience in competitive stage production and performance against other colleges and universities in the region. This program is designed for students planning to transfer to a four-year institution to pursue a bachelor's degree.
