

# Program Map

## Geography Emphasis - Associate in Arts Degree

### Area of Study: Public Service, Society and Education

Clark College students planning to pursue an Associates of Arts degree have the choice to select an interest area. Geography is an interest area that provides mix of social and physical sciences to study the Earth's physical properties while also studying earth's inhabitants as they can transform the planet with their interactions. Please consult your advisor prior to selecting an interest area.

> Free [Tutoring Services](#) are available to support you throughout your degree completion.

*Program maps are suggested academic plans and should not be used in the place of regular academic advising. Your student entry method, placement, course availability, and program requirements are subject to change and transfer credit(s) may change your map/plan.*

## Support Services

At Clark College, we know that everyone who walks through our doors is a unique person with diverse, interesting and sometimes challenging circumstances. We are committed to ensuring each and every student can succeed at Clark, and are committed to serving systemically non-dominant communities, including (but not limited to) people of color, those who identify as LGBTQIA2S+ and people with disabilities. We have resource centers, clubs, programs and activities for all students.

Visit our [Student Support](#) page for more information.

## Funding Options at Clark

There are many resources available to help students cover the costs to attend college—tuition, books, fees, tools, transportation, childcare, etc.—so you can focus on completing your degree or certificate.

**Grants** Based on need. You do not need to pay back grants.

**Scholarships** Similar to grants, and there are different criteria; Clark College awards hundreds of thousands of dollars to students each year. We encourage everyone to apply!

**Student Employment & Work Study** Money you earn through working part-time; this helps to reduce your reliance on loans and build your skills and resume.

**Loans** If you do need to borrow additional funds to pay for college-related expenses, you can consider loans. It is money you borrow and will pay back with interest.

**Specific Assistance** For Veterans, worker retraining, DREAMers, students receiving DSHS benefits, and more.

For more information, visit our [paying for college website](#) or visit the **Office of Financial Aid in Gaiser Hall room 101**.

## Career Opportunities

Career exploration and planning is an essential step to establishing your academic journey at Clark College and beyond. Career Services connects you with resources and strategies for career planning in six areas: knowing self; career awareness; relationship building and networking; work-based learning; job-search skills; and career readiness competencies. You are encouraged to participate in *MyPlan*, a comprehensive and interactive guide with activities to support your career, academic, and financial wellness planning. Visit [Career Services](#) in the **Penguin Union Building room 002**.

Students who complete the **Associates in Arts – Geography Emphasis** degree and transfer to earn a bachelor's degree could be employed in broad areas such as: cultural analysis, urban and regional planning, policy and economic analysis, public health, crisis or natural disaster mitigation/response, GIS science and technology, cartography, remote sensing, environment and resource management, transportation, conservation, sustainability, travel industry, teaching, government, foreign service and military.

Sample career titles include:

**Geographer**  
**Urban/Regional Planner**  
**Market Research Analyst**  
**Transportation Planner**

**Environmental Consultant**  
**GIS Scientist or Technologist**  
**Spatial Epidemiologist**  
**Land-Use Analyst**

**Landscape Architect**  
**Wildlife/Conservation Officer**  
**Geopolitical Consultant**  
**Teacher or Professor**
