<b>NOTE:</b> A 3.0 applicable grade point average (GPA) or higher must be maintained in the classes listed above to qualify to apply to the Clark College Nursing program. Students must earn a minimum grade of "C" or higher in each program requirement. There is a 7-year limit on science courses at the start of program entry (except BIOL& 160). When calculating points, the highest grade will be used.		
3. Complete the nursing application in NursingCAS ( <a href="https://nursingcas.org/">https://nursingcas.org/</a> ) and pay the \$60.00 program application fee. Note: NursingCAS has a fee waiver program. Check in with NursingCAS to see if funds are available ( <a href="https://nursingcas.org/contact/">https://nursingcas.org/contact/</a> ). Students who meet the applicable GPA and have completed the minimum general education requirements (or will complete them by the deadline), will be invited to complete the <b>Kira Assessment</b> . Students will receive an email with all the needed information. This step completes the full application to be considered for admission to the nursing program.		

<b>The following additional required courses must be completed before entering the program:</b>
<b>PSYC&amp; 100</b> (General Psychology 5 cr.) <b>MATH&amp; 146</b> (Statistics 5 cr.) <b>Humanities</b> (10 cr. min.) Please refer to the <a href="#">Transfer Degree Distribution List</a> section of the current Clark College catalog for qualifying options. It is essential that you make sure the course you are taking or did take counts as humanities.
