

Surgical Technology Program Application

Name: _____ Student ID# _____

Phone# _____ Email: _____

Select desired entry year: Fall _____

Please include transfer credit from the following institution/s:

College Name	Dates of Attendance	Name listed on Transcript

Please email completed applications to enroll@clark.edu

Or mail to "Attn: Enrollment Services" Clark College, 1933 Fort Vancouver Way, Vancouver WA 98663

To be eligible for selection into the Surgical Technology program, the following items must be completed:

Complete the Clark College Application for Admission. Visit www.clark.edu/getstarted/

Complete this Surgical Technology program application. Read and initial each item on page 2, ensuring to complete the high school attestation questions. Your application affords you two selection attempts.

Pay the non-refundable \$50 program application fee. Your application is complete when the fee is paid, and the date the fee is paid is the 'application received' date. This date will be considered in the selection process. (Fees are subject to change.)

Submit official college transcripts if you have transfer credits you wish to apply to the program. Transfer credit and course equivalencies will be determined by Clark College. Students who do not plan to apply transfer credits towards the program are not required to submit official transcripts. Science courses must be taken within the last 7 years upon program entry.

Obtain a minimum Clark College cumulative GPA of 2.0 or higher.

The following courses must be completed with a "C", (2.0) grade or higher prior to entering the program:

Course	Course Name	Credits
ENGL& 101	English Composition I	5
College-Level Math ¹	Any college-level math	5
AH 150* or BIOL& 260*	Medical Microbiology* or Microbiology*	5
Human Relations course(s)	Any qualifying Human Relations course(s) or PSYC& 200 Lifespan Psychology ²	5

Select one of the three following series:

AH 100* and AH 101*	Basic Concepts of Anatomy and Physiology I* and II*	6 credits/units
BIOL& 241* and BIOL& 242*	Human Anatomy and Physiology I* and II*	10 credits/units
BIOL& 251*, BIOL& 252* and BIOL& 253*	Human Anatomy and Physiology I*, II*, and III*	15 credits/units

¹ MATH& 107, MATH 111 or MATH 110 recommended

² PSYC& 200 recommended

* Science courses must be taken within the last 7 years upon program entry.

**PLEASE INITIAL IN THE SPACES PROVIDED TO CONFIRM YOU HAVE READ AND ARE AWARE OF THE FOLLOWING
ADDITIONAL REQUIREMENTS FOR PROGRAM ENTRANCE**

Surgical Technology Standard Technical Requirements

- _____ Working conditions: positions in the hospital and/or clinical settings may require working flexible schedules, including nights, weekends and holidays; potential exposure to chemical hazards; ability to wear gloves and other personal protective equipment (mask, coat, etc.) for extended periods of time. It is strongly recommended that all applicants closely observe the activities of those practicing in the profession to understand the technical requirements of the program more fully.
- _____ To participate in this program, students must be able to perform standard technical requirements as described above. Admission to the program may be contingent upon the applicant verifying his or her ability to perform the established technical standards of the program with or without reasonable accommodation (Please reference the disability statement in the online Surgery Technology handbook for additional information).
- _____ Clinical assignments are typically "day shift" or during the hours of 5:00am-4:00pm. Start and end times vary between clinical sites. Surgical Technology theory classes are hybrid and all lab and clinical is in-person. Reliable transportation is an important consideration as clinical facilities may require driving significant distances (up to approximately 50 miles distance from Clark).
- _____ To participate in the clinical externship, clinical sites require proof of current immunizations. Immunization requirements will be covered during required orientation.
- _____ This program highly recommends all students be vaccinated against COVID-19 as this is a requirement for most clinical placements.
- _____ Students will be required to complete a comprehensive Criminal Background Check, as required by the clinical sites. Students should be aware that the clinical site may deny the student access and the student may not be able to complete their healthcare program based on the results of a background check.
- _____ Students will be required to complete a Urine Drug Screen (UDS), as required by the clinical sites. If the student's drug screen has an unsatisfactory result, the student may be dismissed from the program (see Substance Abuse Policy).
- _____ Health Insurance: proof of health insurance may be required by the clinical site. Keep in mind that you are responsible for your own health evaluations and testing requirements should an accident or injury occur. Clinical sites are not responsible for any injury that occurs during externship.
- _____ **REQUIRED ATTESTATION: Have you earned a high school diploma, GED, or higher U.S. degree? O Yes O No**
If yes, which did you complete? _____ Date completed: _____
- _____ I have reviewed the program requirements on the Clark College website. I am aware of entrance requirements, selection processes, required immunizations, criminal background check requirements, and all other specific program information. I am aware that if selected into the program, clinical sites may require drug screening. I am aware that completion of pre-entrance requirements does not guarantee entrance into the program, and I understand that additional preparation may be needed for final program selection.
- _____ I understand that any misrepresentations or false statements on this application will be subject to the Clark College and program code of conduct disciplinary procedures.

The college affirms a commitment to freedom from discrimination for all members of the college community. The responsibility for, and the protection of, this commitment extends to students, faculty, administration, staff, contractors, and those who develop or participate in college programs. It encompasses every aspect of employment and every student and community activity. The college expressly prohibits discrimination on the basis of race, color, national origin, age, perceived or actual physical or mental disability, pregnancy, genetic information, sex, sexual orientation, gender identity, marital status, creed, religion, honorably discharged veteran or military status, or use of a trained guide dog or service animal. Harassment is a form of discrimination. Alternate format of this document is available upon request. Please contact Disability Access Center at (360) 992-2314 or (360) 991-0901 video phone.
