

Name: _____ SID# _____ Email: _____

Please include transfer credit from the following institution/s:

College Name	Dates of Attendance	Name listed on Transcript

Select your specialization preference(s):

- ☐ Artificial Intelligence
 ☐ Cloud Computing
 ☐ Mobile Application Development
☐ Embedded Systems
 ☐ Cyber Security

Applications submitted by March 1st, 2025 will be given priority consideration.

To be eligible for selection, the following items must be completed:

Complete the Clark College Application for Admission. Visit www.clark.edu/getstarted/

Complete this Bachelor of Science in Computer Science program application and the essay response portion on the following page.

Pay the non-refundable \$50 program application fee. Your application is complete when the fee is paid, and the date the fee is paid is the 'application received' date. This date will be considered in the selection process. (Fees are subject to change.)

Completion of an associate degree or higher from an approved accredited institution of higher education with a minimum cumulative grade point average (GPA) of 2.0 or higher. For a list of recognized accrediting bodies, please visit: <https://catalog.clark.edu/enrollment-aid-college-life/credential-evaluations-office/>

Obtain a 'C' (2.0) grade or higher in each required preliminary course listed below.

Submit official college transcripts if you have transfer credits you wish to apply to the program. Transfer credit and course equivalencies will be determined by Clark College. Students who do not plan to apply transfer credits towards the program are not required to submit official transcripts.

Applicants deemed eligible will receive an email invitation to attend a mandatory in-person orientation where a programming skills assessment will be administered. Assessment scores will be used for selection.

All requirements must be completed by August 1st, 2025, and updated official transcripts must be submitted.

The following courses must be completed with a "C", (2.0) grade or higher prior to entering the program:

Course	Course Name	Credits	Course Completed/In Progress	College
ENGL& 101	English Composition I	5		
MATH& 146	Introduction to Stat	5		
MATH& 151	Calculus I	5		
MATH& 152	Calculus II	5		
MATH 215	Linear Algebra	5		
CSE 120	Introduction to Electrical/Computing	5		
CSE 121	Introduction to C	5		
CSE 215	Discrete Structures	5		
CSE 222	Introduction to Data Structure	5		
CSE 223	Data Structures & Object-Oriented Programming	5		
CSE 224	Programming Tools	5		
CSE 250	Digital Logic Design	5		

In 500 words or less, please state your reasons for selecting Clark College's Bachelor of Science in Computer Science and how you will contribute to this program.

Please email completed applications to enroll@clark.edu

Or mail to "Attn: Enrollment Services" Clark College, 1933 Fort Vancouver Way, Vancouver WA 98663

The college affirms a commitment to freedom from discrimination for all members of the college community. The responsibility for, and the protection of, this commitment extends to students, faculty, administration, staff, contractors, and those who develop or participate in college programs. It encompasses every aspect of employment and every student and community activity. The college expressly prohibits discrimination on the basis of race, color, national origin, age, perceived or actual physical or mental disability, pregnancy, genetic information, sex, sexual orientation, gender identity, marital status, creed, religion, honorably discharged veteran or military status, or use of a trained guide dog or service animal. Harassment is a form of discrimination. Alternate format of this document is available upon request. Please contact Disability Access Center at (360) 992-2314 or (360) 991-0901 video phone.
