¹ If a student begins at this level of the pathway, they are eligible to receive credit for all prior-level classes in the core subject area (i.e. math or English).

² Students must take parts (A) and (B) in order and are awarded credit in the related content areas upon completion of part (B).

For HS21+ (1) CAP 078 is to be completed within first 2 quarters of HS21+.

(2) CAP 079 is required prior to completion of HS21+.
