If you need accommodation due to a disability in order to fully participate in a Pathways Center event, you should contact Clark College's Disability Support Services Office at (360) 992-2314 or 360-991-0901 (vp) or visit Penguin Union Building (PUB) room 013, two weeks prior to the event.

The Pathways Center provides support services that aid in the retention, completion, and transition of Transitional Studies students by offering activities, workshops, and connections to college and community partners so that students can achieve their personal, academic, and professional goals.

Academic Support

Balancing Act: Create a clear plan for balancing different priorities: kids, family, school, work, finding work. Learn how to set yourself up for success by breaking your life down into realistic and manageable chunks.

Emergency Preparedness: Get an overview of the college emergency procedures and sign up for RAVE alerts straight to your phone.

Get the Most Out of Group Work: Gain practical ways to work on a team, techniques to develop your own leadership skills, and tools so group work becomes something you look forward to here at Clark.

Graduation & Next Steps Info Session: Are you graduating this quarter or year? Get information and plan your next steps with the help of Sara and Nicole..

Intro to College 101: This workshop will provide a more in-depth overview of the importance of taking College 101 and what to expect from the class.

Intro to WAMAP: Learn how to do online homework, find course materials, and use different features.

Making SMART Goals: Set yourself on the right path with these goal setting tips.

Meet the Coaches: Find out how Alison, Amanda, and Nicole can support your success.

Transitional Studies Drop-In Registration: Come to the Pathways Center to register for classes, drop or add a class, check waitlists, and make any changes to your schedule before instructor approval is required.

Job Readiness

Intro to Public Speaking: Got a presentation this quarter? Learn tools and tricks to manage anxiety and replace it with motivation and empowerment. Look for the session for ESL students!

Technology Skills

Canvas Basics: Log in and set up your Canvas account. Find your syllabus, modules, discussion boards, and how to contact your instructors.

Computer Basics: Learn the tech building blocks with an introduction to keyboarding, saving your files and navigating the desktop.

Drop-in Lab Account Set-up: Make sure you have access to your lab account for signing into lab computers, classroom and IDEA laptops, and accessing Wifi. Drop in all day!

Student Email Basics : Learn how to use and navigate, send emails, and personalize your student email.

What is eLearning?: Curious about online classes? What's the difference between "online" and "hybrid"? Find out in this interactive workshop and discover the realities of online learning to set yourself up for success.

***Pathways workshops are open to all levels of learning including CAP, ESL, & college level students. We also welcome community members, staff, and faculty. There is no cost and no sign-up for Pathways Center workshops.**
