What is eLearning?	Thursday, April 27th	10:00am to 11:00am

The Pathways Center provides support services that aid in the retention, completion, and transition of Transitional Studies students by offering activities, workshops, and connections to college and community partners so that students can achieve their personal, academic, and professional goals.

Pathways workshops are free and open to all levels of learning including CAP, ESL, & college level students.

We also welcome community members, staff, and faculty.

Academic Support

Are You Resource Ready?: Get connected to resources to support your meeting your academic and career goals!

Balancing Act: Create a clear plan for balancing different priorities like kids, family, school, work, finding work, and making time for self care.

Building Mutual Respect for Success: Building empathy and consideration in the age of digital communication.

Choosing a Business Admin Program: Learn about the degrees and certificates Clark College offers to support your goals.

Emergency Preparedness: An overview of college emergency procedures and sign up for RAVE alerts to your phone.

Get the Most Out of Group Work: Gain practical techniques to make group work fun.

Graduation & Next Steps Info Session: Are you graduating this quarter or year? Get information and plan your next steps with the help of Sara and Nicole.

How to Manage your Time: Get ahead of your priorities to reduce stress for success!

Intro to College 101: This workshop will provide a more in-depth overview of the importance of taking College 101 and what to expect from the class.

Intro to WAMAP: Learn how to do online homework and find course materials.

Meet the Coaches: Find out how Alison, Amanda, and Nicole can help you be successful

Financial Aid 101: Get all the information you need to know about student loans.

Una Charla Sincera Entre Latinos: Esto es una invitación a un taller y a una conversación honesta sobre como relacionarnos mejor en tiempos difíciles.

What Do My Grades Mean?: An overview of the college's Academic Standards Policy

Technology Skills

Canvas Basics: Log in and set up your Canvas account. Find your syllabus, modules, discussion boards, and how to contact your instructors.

Computer Basics: Learn the basics like keyboarding, saving your files and navigating the desktop.

Gmail Basics: Learn how to use and navigate, send emails, and personalize your student email.

Google Drive: Upload and store documents, folders, and pictures with your google account.

Google Docs: Write, edit, and save papers from any computer or device with internet.

Google Slides: Create cool visual presentations that you can access from any device with internet.

Google Sheets: Make tables and spreadsheets you can save to your Google Drive.

Microsoft Office Basics: Learn the universal functions of Microsoft Office programs.

One Drive Basics: Create your account and learn how to save documents to the cloud.

MS Excel Basics: Learn basic Excel functions like auto sum, formulas, and making tables.

MS PowerPoint Basics: An introduction to creating and developing visual presentations.

MS Word Basics: An introduction to creating and formatting documents.

Saving With Google: Learn how to use Google to save documents and access them anywhere.

What is eLearning?: Discover the realities of online learning to set yourself up for success.

Job Readiness

How to Use Career Coach: Learn how to use Career Coach to help you with your next job search, create a resume, and research careers and related majors.

Intro to Dependable Strengths: Discover how your good experiences highlight strengths you didn't know you had in this intro to the 3 day workshop series.

Intro to Public Speaking: Learn tools and tricks to manage anxiety and replace it with motivation and empowerment. Look for the session for ESL students!

Looking Ahead: Life After GED/HS21+: Discover the options for students to continue their education after completing the GED or HS21+.

Resume Basics with Career Coach: Use Career Coach to uncover your skills and create a resume.

Young, Brown, & Talented: How to Get a Job: Learn the art of networking, how to write job-winning resumes, and effective interviewing techniques.

If you need accommodation due to a disability in order to fully participate in a Pathways Center event, you should contact Clark College's Disability Support Services Office at (360) 992-2314 or 360-991-0901 (vp) or visit Penguin Union Building (PUB) room 013, two weeks prior to the event.
