

Clark College Fall 2023

Free Student Success Workshops

Brought to you by the Student Success & Retention Department

Student success workshops are hosted on Zoom. Please register early for the workshops to ensure you get the link before the workshop starts. If you have any questions, please call 360-992-2382 or email [Heather Leasure](mailto:Heather.Leasure@clarkcollege.edu)

Week Six (10/30-11/3)

MLA Citations, Wednesday, November 1st, 1pm-2pm, [Register Here](#)

MLA 9 is here! Learn what's the same and what's different as you format your paper and citations.

Job Search Success, Wednesday, November 1st, 3pm-4pm, [Register Here](#)

What does success mean to you when it comes to your job search? Explore step-by-step effective job search strategies and learn about resources offered here at Clark that can support you in finding an ideal, successful job match.

Stress Management, Thursday, November 2nd, 2pm-3pm, In Person, Gaiser Hall 205

[Register Here](#)

Human biological evolution has not kept pace with the demands of our cultural and technological advances in a very important way: Our ancient stress response that historically kept our ancestors alive, is now undoing quality of life for many of us. Learn about the human stress response, why it is necessary and how to interact with it differently to promote a foundation for living your best life.

Week Seven (11/6-11/10)

APA Citations, Wednesday, November 8th, 1pm-2pm, In Person in Library 13 [Register Here](#)

Learn about APA style and citations and get your specific questions answered with a Librarian.

Practical Study Skills, Wednesday, November 8th, 2pm-3pm, [Register Here](#)

Learn new study skills to help you succeed in your classes.

Scholarship Workshop, Thursday November 9th, 11am-1pm, [Register Here](#)

Need assistance with scholarship applications? You can pop into this zoom meeting and ask your questions. You can also be put into a breakout room alone to have quiet time to focus on your essay writing. There will be multiple people available to answer your questions.

Week Eight (11/13-11/17)

Stress Management, Wednesday, November 15th, 12pm-1pm, In Person, Gaiser Hall 213

[Register Here](#)

Human biological evolution has not kept pace with the demands of our cultural and technological advances in a very important way: Our ancient stress response that historically kept our ancestors alive, is now undoing quality of life for many of us. Learn about the human stress response, why it is necessary and how to interact with it differently to promote a foundation for living your best life.

Scholarship Workshop, Friday, November 17th, 10am-1pm, In person Scarpelli Hall 018
