The first step is to create an Evolve account so that you can sign into the Evolve website to use the HESI payment link that your instructor provided to you. The payment link will bring you directly to the page where you can make your payment with your credit card. If you don't have the payment link or it's not working for you, just follow the steps below and add the payment ID on the last page.

### 3) Payments

You have now created an Evolve account and Registered for HESI. Click on “My Evolve” at the top to find your HESI Assessment Student Access Folder

Open the folder by clicking on the name and then click on the box that says “payments” in the top left. You do not have to pay by the date listed but you should pay as soon as possible.

The screenshot shows the HESI Assessment website's payment interface. At the top, there's a navigation bar with 'My Exams', 'Payments', 'Cohort', 'Distance Testing', and 'Help & Resources'. Below this, there are two buttons: 'Make a Payment' (highlighted in green) and 'Payment History'. A progress bar indicates three steps: 'Select a Product' (completed), 'Make Payment' (current), and 'View Receipt'. Below the progress bar, a blue banner says '1. Find your product by entering the 'Payment ID' below.' There is a text input field for 'Payment ID' and a green 'Search' button.

If you successfully used the payment link provided to you by your instructor, these fields will be auto populated but if not, fill in the Payment ID provided at the beginning of the document. Follow the prompts to add the credit card information and you will receive a confirmation/receipt when you are done.

The 'Credit Card Information' form is displayed. It has a dark grey header with the title 'Credit Card Information'. The form fields are: 'Card Number' (text input with a red asterisk), 'Cards Accepted' (text showing 'Visa - Discover - American Express - MasterCard'), 'Card Type' (dropdown menu showing 'Discover' with a red asterisk), and 'Exp Date' (two dropdown menus showing '02' and '2013' with a red asterisk). Below the fields, there is a red asterisk followed by the text 'Required field'. A note states: 'Please note that we only support the US-English character set. In order to ensure that your transaction is processed correctly, please refrain from using International Characters.' At the bottom, there are two buttons: '>> Continue' and 'Reset'.
