

Supply List
Independent Study for Artists
Instructor: Sharon Schwane
Fall Quarter 2021

Artist should bring the supplies they will need to work on projects of their choosing. We will be working primarily in watercolor but other water media is welcome.

Possible demonstration can include Masa paper, Yupo, and various materials to create backgrounds and underpaintings.

Good brushes, quality paper such as Arches, professional watercolors, tracing paper, and drawing pencils may be required for some projects.

Watercolor pencils, Caran d'Ache crayons, watercolor inks, and Brusho may be used.
