

SUPPLY LIST - Beginning Sewing and Garment Construction

Instructor: Erica Stout - erica.lastufka@gmail.com OR ericastout@remax.net
Supply list updated for Fall 2023

All supplies can be purchased at JoAnn stores - there are two in Vancouver. One in Hazel Dell and one in East Vancouver.

SEWING MACHINE: needs to be brought to class each week.

If you don't have a machine, you can purchase new or used. Reach out to me for recommendations for machines in every budget.

IMPORTANT: please learn how to thread your machine and wind a bobbin **BEFORE** class! This will save valuable sewing time if everyone arrives to class with their machine ready.

SUPPLIES:

Sewing machine:
with NEEDLE, BOBBIN, and BOBBIN CASE

Spool of thread (any color)

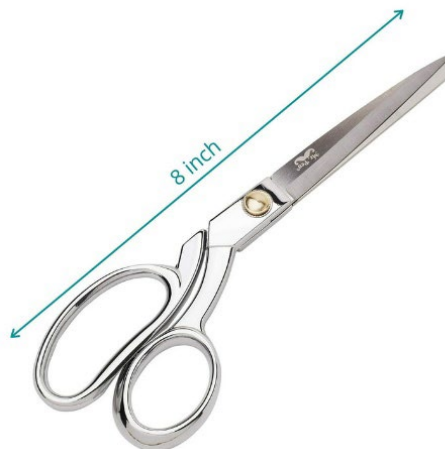

Flexible fiberglass tape measure

Hand sewing needle

8" fabric scissors

Seam ripper

Sewing pins

7" nylon coil zipper (any color)

Button, 1" size with "holes" in the center (any color)

One package of wax free tracing paper

One tracing wheel

2 yards of plain muslin fabric in 36" WIDTH - can be either white or natural color
(This will be on a bolt at the fabric store - find the 36" wide one and take it to the cutting counter and have 2 yards cut)

½ yard of light or medium weight fusible interfacing
(This also will be on a bolt and you will take to the cutting counter to have ½ yard cut)

Printout of templates to cut out before class each week - **take to Office Depot for printing on their blueprint printer.** File can be downloaded here:
