

Community Education Spring Term, 2024

Camera Basics for Beginners

Instructor: Sharon O'Keefe
Phone: 503-701-5347
E-Mail: sharonlavieroakeefe@mac.com

Course Description:

Take your digital Camera off AUTOMATIC and learn how to use MANUAL modes for best creative control and results, i.e., learn F/Stops, Shutter Speeds, Depth-of-Field, ISO, etc., PLUS Basic Photography tips, Rules of Composition, Lens selection, Pre-Visualization and more so you can consistently create more compelling photos. In this hands-on class you'll learn through exercises, assignments, and photo critiques. For Beginners; not a Photoshop class. Bring camera and owner's manual, 3-ring binder, pen or pencil and Tripod if available.

Learning Outcomes:

Outcome #1: Through hands-on activities you will learn how and when to select and use different camera settings and functions to attain the desired visual outcome.

Outcome #2: You will learn through example and demonstration the basic principles of photography, composition, as well as the art of meaningful seeing.

Outcome #3: By the end of the term, you will be more proficient using your camera, understanding how to compose photographs so you can create more compelling pictures while having fun learning camera basics and principles of photography.

Class Evaluation

Class evaluations are sent by email. Sometimes the email will be delivered to your “junk mail,” but we can assure you it’s from Clark College only. Your responses are completely anonymous. If you do not see your evaluation immediately after class, look in your junk mail and send it to your email address. If you do not receive an evaluation, please email Continuingeducation@clark.edu or call 360.992.2939.

Inclement Weather

If the College cancels due to icy conditions you can find this on the college website www.clark.edu~ If Community Education concludes that the weather is too hazardous we may also decide to cancel this class. In that case you will receive both a phone call and email. Make certain that we have your correct contact information by viewing the class roster.
