

Community Education Winter 2024

Maximize Your iPhone Device

Instructor: Charles Jackson

Phone: 360.830.6514

E-Mail: smartphoneusernw@gmail.com

Course Description:

This comprehensive course is meticulously designed to equip novice iPhone users with the fundamental knowledge and practical skills to navigate the iPhone ecosystem effectively. Through a structured and engaging curriculum, participants will gain proficiency in essential iPhone operations, enabling them to harness the device's full potential.

Requirement: iPhone account is required to be set up prior to class.

Learning Outcomes:

- You will learn the basic operation of iPhone devices.
- I will illustrate how to configure your phone settings and security.
- Build an understanding of shopping, purchasing, downloading, and updating apps.

Course Schedule:

Week 1: January 16th Introduction to Home Screen, Applications, and Apple Store.

Week 2: January 23rd Learn about securing your phone and devices' settings.

Selected Bibliography/Resources:

I possess a bachelor's degree in business management and have worked in the business technology environment for over 25 years. My career has focused on connecting users with technology and helping them understand how to get the most use out of it. I have a strong passion for what technology can do for the user and passing on how to best utilize those technologies. I am a certified Microsoft trainer in MS office and Google Workspace.

Class Evaluation: Class evaluations are sent by email. Sometimes the email will be delivered to your "junk mail," but we can assure you it's from Clark College only. Your responses are completely anonymous. If you do not see your evaluation immediately after class, look in your junk mail and send it to your email address. If you do not receive an evaluation, please email Continuingeducation@clark.edu or call 360.992.2939.

Inclement Weather:

If the College cancels due to icy conditions you can find this on the college website www.clark.edu ~ If Community Education concludes that the weather is too hazardous we may also decide to cancel this class. In that case you will receive both a phone call and email. Make certain that we have your correct contact information by viewing the class roster.
