ROYCE E. POLLARD JAPANESE FRIENDSHIP GARDEN

*McLoughlin and Fort Vancouver Way
in Vancouver*

This beautiful new garden on the Clark College campus was a gift from SEC, the Japanese parent company of locally-based SEH America, and was named in honor of a recent and longtime Vancouver mayor. Natural features are represented in the garden and inspired by the landscape of the Pacific Northwest. Cherry trees, stones and a water feature represent symbolic ideas and add to the garden's aesthetic.
