

# Clark offers Running Start info nights

High school sophomores and juniors can learn how to take the next step in their education by attending one of two Running Start information nights at Clark College.

The sessions will be held from 7 to 8 p.m. Wednesday, Jan. 18 and Thursday, Jan. 26 in the Clark College gymnasium in the O'Connell Sports Center, located on the southwest corner of Clark College's main campus, 1933 Fort Vancouver Way, Vancouver.

Running Start allows eligible juniors and seniors to take classes to earn college credit while they fulfill their high school graduation requirements. Students attend regular Clark classes during the day or in the evening, along with "regular" college students. They can choose from a full range of academic and professional/technical courses as long as the students meet the criteria and the classes are college-level. Students pay for books, transportation, and some fees. Waivers and limited textbook assistance are available for those demonstrating financial need.

Individuals who need accommodation due to a disability should call 992-2314 or 992-2835 (TTY), or e-mail [tjacobs@clark.edu](mailto:tjacobs@clark.edu) two weeks in advance.
