

Moncur leads Clark men's cross country

Skyview High graduate Matt Moncur claimed individual honors as the Clark College men's cross country team finished second at the Southern Regional Championships at Clackamas Community College on Saturday.

Lane Community College of Eugene won the team title.

Moncur's time was 26 minutes, 9 seconds over the 8-kilometer course. Heritage High School graduate Shane Weldon finished fourth in 26:21.

"Both guys battled it out for four years during high school and now are the leaders of a young Clark College team," co-head coach Ryan Hovde said of the two freshmen.

Hovde said both runners are expected to contend for All-America honors at the NWAACC Championships on Nov. 8 at Lewisville Park.
