## **Tobacco Free Campus**

### **New Tobacco Policy:**

College policy now prohibits the use of tobacco products:  
Everywhere. By everyone. At all times.

Littering is prohibited. Violators may be fined.  
RCW 28B.50.140(13).

## How the New Policy came about

1. Four years of dedication on the part of Health Services and Environmental Health and Safety Officers.
2. Two surveys taken about preference of a new smoking policy versus a new tobacco policy.
3. Meetings regarding College Employee Unions and Medical Agencies.
4. Voting of the college's committees to change the policy.
